

AHMED MOHAMMED

WEB DESIGN DEVELOPER

I am a Full stack Developer seeking a full-time or part-time position in the field of web design development , where I can apply my knowledge and skills for continuous improvement.

SKILLS

- Frontend (HTML, CSS , JS , TS , REACT JS)
- Backend (PHP, LARAVEL)
- Database (MySQL)
- Version Control System (GIT & GITHUB)
- Libraries & Framework (Bootstrap, Redux toolkit, Framer Motion....)

EDUCATION

BACHELOR OF INFORMATION TECHNOLOGY

AI-BAATH UNIVERSITY | 2017 - 2022

TRAINING & INTERN

FRONTEND FOR BEGINNERS

Focal X Agency 2023/7-2023/12

This comprehensive training program focused on frontend development and provided me with valuable expertise in Web Technology. During the training, I accuired hands on experience in building user interfaces and mastered the art of crafting responsive and visually appealing web interfaces .

FULL STACK DIPLOMA

Focal X Agency 2024/1-2024/5

Engaged in a comprehensive paid internship focused on full stack development, where I honed advanced skills in modern web technologies. Mastered front-end development with React.js and TypeScript, building responsive and dynamic user interfaces. Gained proficiency in creating and integrating RESTful APIs, enhancing front-end functionality and back-end communication. On the back-end, I developed robust applications using Laravel and PHP, ensuring efficient data handling and server-side logic. This hands-on experience has equipped me with a strong foundation in full stack engineering principles and practices.

EXPERIENCE

5 months in Focal X Agency company as Frontend Developer

5 months in Focal X Agency company as Full Stack Developer

1 year in Freelancing as Frontend Developer
